Keep me informed of products, services, and offerings from IBM companies worldwide.

☒ By email More information on our processing can be found in the [IBM Privacy Statement](#). By submitting this form, I acknowledge that I have read and understand the IBM Privacy Statement.

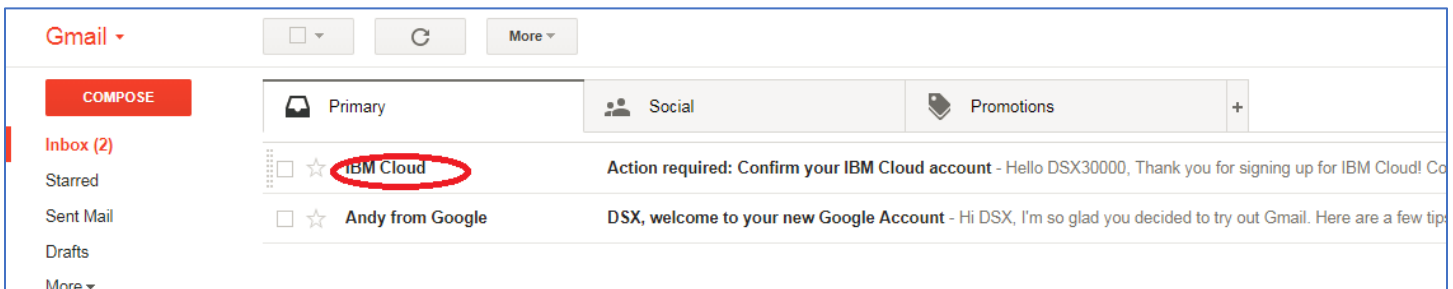

By clicking Create Account, I accept the [IBM Cloud privacy policy](#) and [IBM Cloud terms](#).

Create Account

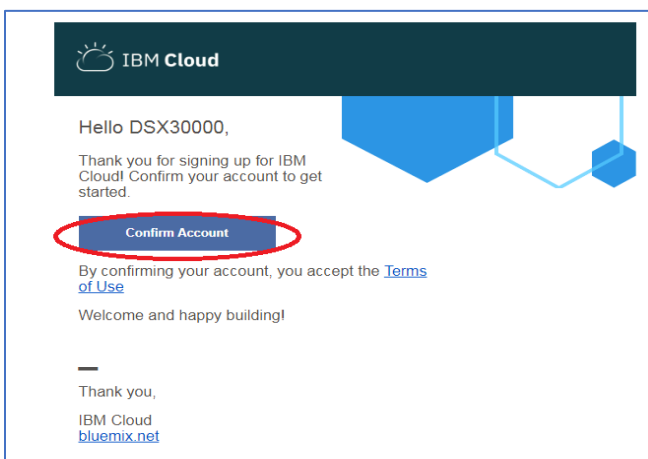

5. You will see the following screen. You need to go to your e-mail account to complete the sign-up process.

6. In your e-mail inbox, there should be a message from IBM Cloud.

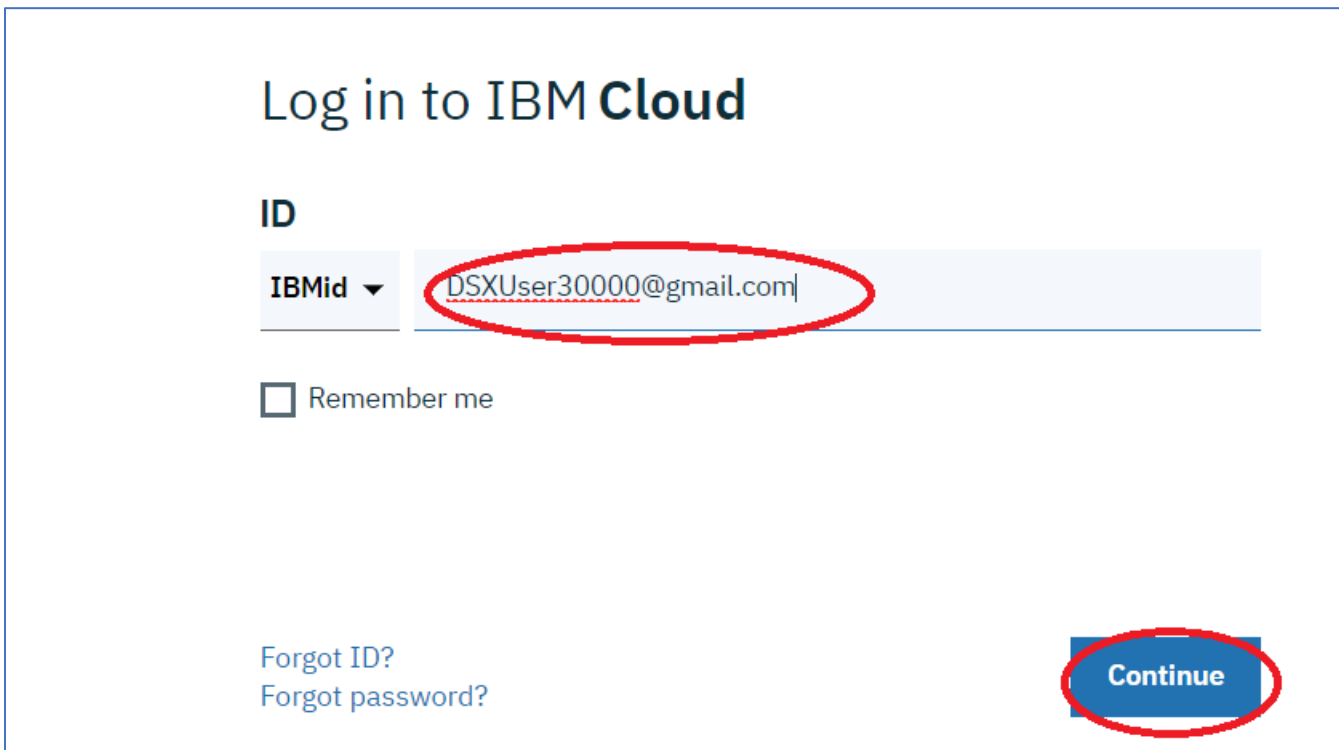

7. Open the e-mail and click on **Confirm Account**.

8. You may or may not see the following screen. Click on **Log in** (note it may automatically go to the **Log in to IBM Cloud** screen shown below)

9. Enter your **IBMid** and click **Continue**.

A screenshot of the 'Log in to IBM Cloud' form. The title 'Log in to IBM Cloud' is at the top. Below it is the 'ID' section, which includes a dropdown menu labeled 'IBMid' and a text input field containing 'DSXUser30000@gmail.com'. The input field is circled in red. Below the input field is a checkbox labeled 'Remember me'. At the bottom left, there are links for 'Forgot ID?' and 'Forgot password?'. At the bottom right, there is a blue button labeled 'Continue', which is circled in red.

10. Enter your **Password** and click **Log in**

12. You are now on the IBM Cloud landing page. Close the **Welcome to IBM Cloud** Popup.

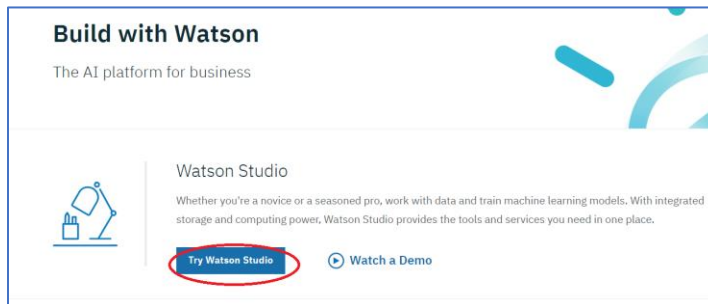

13. Click on the hamburger icon  in the top left area of the screen

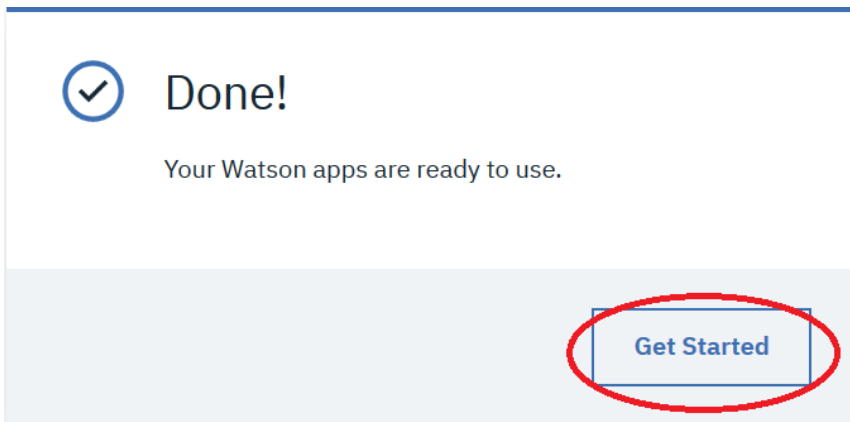

14. Scroll down and click on **Watson**.

15. Scroll down and click on **Try Watson Studio**.

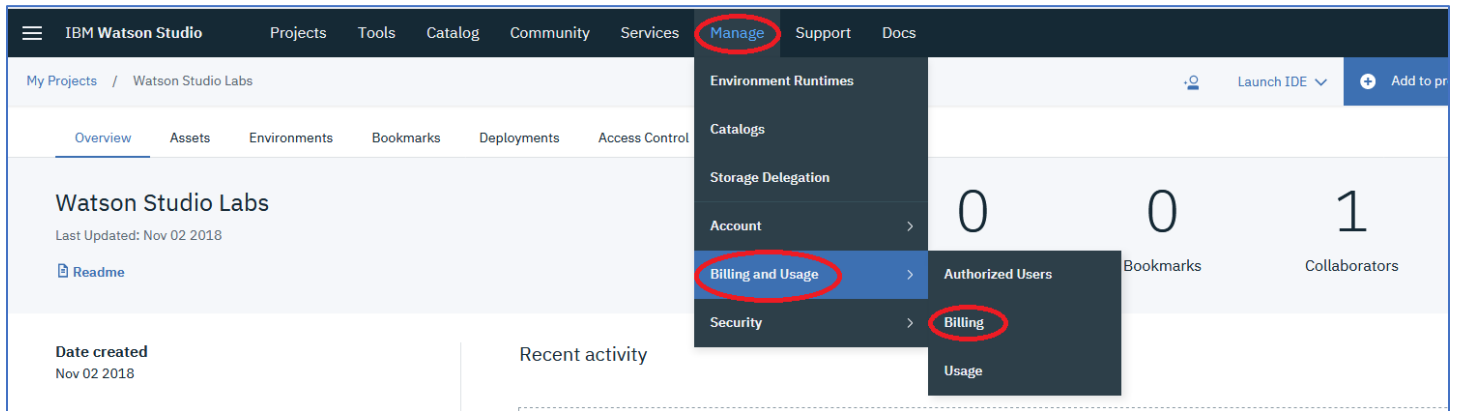

16. Wait until you see the following screen, and then click on **Get Started**.

17. You are now at the Watson Studio Home page. From here you can explore any of the tutorials, videos, sample notebooks, tutorials or articles in the community.

Procedure to check for an expired account for those with an existing Watson Studio account.

1. Go to datascience.ibm.com
2. Login to your account.
3. Click on **Manage**, then **Billing and Usage**, then **Billing**

4. Check the Account Type. If it is a Trial Account Type (see below), refer to the number of days remaining in the Trial. If it shows a negative number then the account is expired. If it is a Lite Account Type, you should be okay as there should not be anything specified regarding expiration.
